

Alpha Omega Institute Creation Family Camp May 22 – 25 Memorial Weekend

This Creation Camp held at Camp witness in North Central Nebraska is meant to **fortify you and your family** with the Truth of God's Word beginning from Genesis 1:1. Come alone or bring your kids! Grandparents w/ grandkids are welcome, too. They need to hear the Biblical and scientific evidence that **God is their creator not evolution**. This is a family-oriented camp with amazingly illustrated **Creation teaching, hands on activities, and recreational** activities for younger children, teens and adults.

Kids, teens and adults will enjoy Lanny and Marilyn Johnson's Biblical and Creation teaching, hands-on activities, and fun-filled camp activities.

Come and explore the Truth of Creation and problems with evolution. AOI's speakers are there to come alongside of you.

Indoor and Outdoor Activities include:

- Fossil Hunt
- Climbing Wall
- Swimming and Tubing in Creek
 - Subject to river level
- Fishing in Long Pine Creek
- Dunking tank
- Basketball
- Volleyball
- Capture the Flag
- Zorb-Ball
- Hiking
- Cook-out
- Roast Marshmallows
- **Enjoy doing things with family!**

What to Bring to Camp: A good attitude, Bible, notebook, pen, bedding, towels, personal care items, casual-modest clothing including: activity shoes, jacket, jeans, swimsuit, shower flip-flops, water shoes for the creek, water bottle w/name on it, a flashlight, bug spray and sunscreen.

Lodging: There are several options:

1. Cabins w/o bathroom. Modern bath houses are close to cabins. These are standard for families 4 and above.
2. Some deluxe rooms with bathrooms. Camp charges an additional \$75 per family to the weekend prices (must be 5 or more in family).
3. Singles, couples and small families may have to utilize the separate men's and lady's cabins. We won't know until we see how many larger families need cabins. Call AOI at 970-523-9943 to express your preferences.
4. Bring your own RV. The camp charges the same as in cabins, but you have the convenience of your own RV. There are at least 11 sites with electrical hookups and some sites have water. A dump station is available on site.
5. Motels are about 10 miles away in Ainsworth and Bassett for those who prefer them.
